Those adults who wander through the halls  
With grade books and styrofoam coffee cups  
Guide us, teach us, and influence our lives.  
Names like Pascal, Shakespeare, Twain and Huff  
Become as familiar as our own.  
We strive for understanding,  
And wonder if it's to be found.  
Searching in textbooks and films,  
In handouts and paper backs,  
WE seek answers.  
And, finishing the light,  
We move in the direction of our interests,  
Hoping to find fulfillment  
In all that we do.

# Freshmen

The freshmen started leading a fun but hectic life this first year in high school. For some fun, most of the class went to the Nebraska-Kansas football game in October along with other classes. Other things include various activities held throughout the school year. Getting used to the upper classmen, classes, schedules, and high school sports proved to be a challenging experience but they got through. We the class of '83 are moving up!

The Sophomore Class usually considered themselves as a wild and crazy bunch. Whether it's true or not remains to be seen. As far as activity, they are all pretty active in school sports and extra curricular activities. Purchasing class rings, sponsoring the faculty against high school basketball game, and planning their class party were some of the things they did. Serving for the Prom were Robin, Cindy, Gisele, Ben, Kevin, and Reynold. All are looking forward to the future.

# Juniors

The Junior class this year has had a very busy year. For beginners was a magazine drive designed to fund the Prom, in which they passed their goal by a large margin. Sights like a junior or two peddling magazines or records were not uncommon. Also, the class sponsored the 1980 Junior-Senior Prom in which a great time was had by all. Other projects helped to support the All-Sports Banquet. There was participation in countless other activities. The Junior class, also the largest in the whole school, was a rowdy bunch that loved a good time with hopes of many more to come in the future.

# Dramatics Addicts Grey Bread

By Joan Lee Latham

## CAST

Riga	Patty Ziegelbein
Jolda	Bobbi Brazda
Yalande	Robin Brazda
Motka	Gale Ziegelbein

Grey Bread was written to show the conflicts between generations. It consists of an old lady, her daughter,

and a young neighbor girl. The setting is in the 1800's, a Russian Peasant Home.

Bobbi Brazda, Mrs. Lind, Patty Ziegelbein, Gale

# You're Always Welcome At Our House

Full cast or is it full casket?

Will Brandy get a bite out of life?

Which has better taste?

This was an original play written by Tom Bruner. It is a spoof on Vampires and people's reactions to them.

The setting is in an antiquated house filled with old furniture and mystic paraphernalia.

Pie-eating contests between football players, caterpillars trottin' over bodies, "blind dates", kicking "invisible" footballs, and many other things were some of the skits performed during pep rallies. The Cheerleaders, aided by the mysterious Cub, directed all activities, with the Pep Band producing the sound effects.

We see them running after hours  
Through the halls and working out in the gym,  
Dressing up for the game days and wearing name tags,  
And some times limping  
With blisters or pulled muscles.  
These hard-working, sports-minded people are the athletes.  
And no matter what the sport,  
We can bet on exciting, close games  
And overtimes that keep us on the edge of our seats,  
  
Screaming and pulling out our hair.  
For in these moments  
All we want is a victory,  
And so do our athletes.

The Clubs continued their fine tradition of completing the season with a winning record (8-6). The Seniors provided great leadership throughout the season to help keep the girls working hard and striving for success. Even though the girls never came home with any trophies they always gave 100% when playing the game. I wish to thank the co-captains Michel Sandell and Lynelle Meeratz for their leadership this past

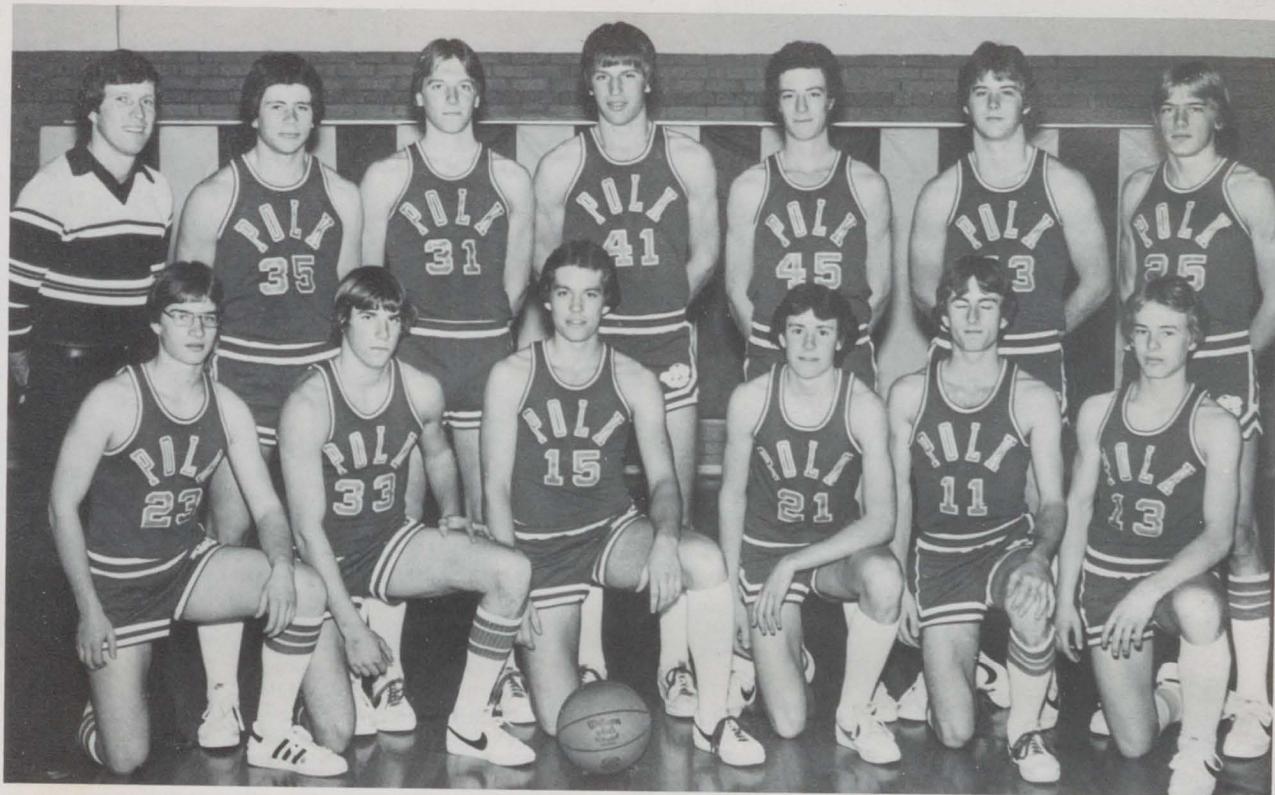

season. Some of the girls received honors during their past season. They were Michel Sandell - 1st team All Conference, 1st team All Area in the Grand Island Daily Independent, and Honorable Mention All-State; Jenni Harrington - 1st team All Conference, Honorable Mention All-Area; Ginger Albin - 2nd team All Conference; and Lynelle Meeratz - 2nd team All Conference.

This year was a rebuilding year with several team members coming out with some Varsity experience. With five returning lettermen which included: Terry Bender, Randy Harless, Todd Hanquist, Dave Fisher, and Doug Shenk.

Coming off a 21-3 season a year ago, it was hard to duplicate a record close to it. Some of the goals the guys had were: 1) Win 20 games - We were close, we won 16 and lost 5. 2) They wanted to go to State - We lost at Districts. 3) They wanted to win Conference - We got 2nd place.

The Polk Girls' Basketball team finished the season with a 7-11 record. Highlights of the season included a third place finish in the Henderson Holiday Tournament and impressive performances in Goldenrod Conference victories over Osceola and Palmer. Seniors Michel Sandell and Lynelle Meerkatz paced the Cubs averaging in double figures in both rebounds and scoring. Several fine performances by the reserves indicate that the future for Polk girls' basketball is bright.

This year Polk had a really great turn-out for both girls and boys track. Our first track meet was March 31, at Central City. The girls got 2nd and the boys took 1st. We did very well at other track meets. At Districts, the girls took 5th place and we sent Michel Sandell, Lynelle Meerkatz, Tammy Lopez, Ginger Albin, and April Nyberg to North Platte for State. At boys Districts, we took 2nd place and sent Greg Klingsporn, Kirk Huefle, Myron Tallman, Jim Wurst, and Terry Bender to State.
